RE: International action day Toyota Motor Philippines

Dear Ambassador,

On the 12th of September the trade unions LBC-NVK, BBTK and ACLVB have held a demonstration before the Japanese Embassy concerning the longstanding unresolved dispute at Toyota Motor Philippines Corporation. We are very grateful and want to thank you for receiving a delegation and listening to our concerns.

We've understood that you have respect for our demonstration and that you will inform the Japanese government about our demonstration and petition. You've promised to inform us within a month about the steps that you and the Japanese government will take. We hope that your authority will help to resolve the conflict at Toyota and are very grateful for the efforts you are doing.

Once again we want to thank you for your co-operation. We hope to hear from you soon.

Sincerely,

John De Decker, secretaris LBC-NVK (ACV), L. Vanderkelenstraat 32 3000 Leuven,
